Lewis Carroll Library Media Center

Lewis Carroll Library Media Center Mission Statement

To provide a welcoming space for all that encourages a love of reading and learning, and empowers students to become creative thinkers and lifelong learners.

Lewis Carroll Library Media Center Collection Development Policy

- All materials in the collection must abide by regulations in the Florida Statutes.
- Reports are run routinely to determine what areas of the library/media center need updating.
- Regular removal of books will be based on physical condition, rate of recent circulation, alignment to state academic standards, and the academic needs of students.
- Acquisition of new materials will be based on reader interest, support of the state academic standards and aligned curriculum, and the academic needs of students.

- Reputable, professional peer-reviewed journals or crowd sourced reviews must be consulted during the process of selecting materials.
- The Media Advisory Council will participate in the selection of new materials.
- Stakeholders will be invited to a School Advisory Council meeting to view material selections.
