- Principal Message:

I am so proud of the start of the year concerning academics! We have already seen substantial growth in our first round of progress monitoring testing with i-Ready. I have seen students and teachers pushing forward through all the Covid challenges and getting back to the basics. Through our collaborative planning team meetings and continued observations, I have noticed students completing complex grade level tasks and being challenged daily. Another great addition was the implementation of Buddy's Place that correlates directly with our PBIS program here at Longleaf. We are so thankful for the support and donations that have made this program so successful this year. Your partnership is important, and I look forward to continuing this positive path for the rest of the year!

Respectfully,  
Mr. Sherburne

## Hello Families!

Our school is hosting **NED's Mindset Mission**, a live streaming all school event. A world-class performer takes our students on an interactive educational journey filled with storytelling, illusions, yo-yo tricks and humor. NED's message and memorable friends inspire students, promote academic achievement, and support our school goals.

**Never give up Encourage others Do your best®**

Our school received this program at no-cost because another school community has paid-it-forward to us. Now it's our turn—you can help by purchasing a NED-messaged yo-yo and accessories. A yo-yo is both a mindset tool and tangible reminder of NED's message. While learning to yo, children will make mistakes, try again, and improve. # Bobcat PBIS Program Appreciates You!

Longleaf is a PBIS (Positive Behavior Intervention Support) school. Students earn Buddy Bucks for displaying the PAWS Expectations:

**Positive Attitude**  
**Acting Responsibly and Respectfully**  
**Wise Choices**  
**Safety First**

Students save up for class privileges, treasure box toys, or special events. Students had an opportunity to shop at Buddy's place twice this year and continue to do so basis. Buddy's Place was also opened to photograph and reward our September character trait winners for being the "I" in kind.

Thanks to generous donors, who have donated not only the prizes but monetary donations for Buddy's Place, Longleaf now has a new Buddy mascot! This link is a great way to continue to support Longleaf's PBIS program. This month donations of gift cards and cash will be used to purchase some larger prizes for the students who are earning/saving lots of Buddy Bucks! Please send any purchases/donations to the front office labeled PBIS or Buddy's Place.

## Volunteering Update

Thank you so much to all our amazing volunteers. Many hours have been spent moving and organizing things over the last month to revive our campus! Several volunteers were instrumental in creating Buddy's Place located in the media center. If you haven't seen it, stop by the next time you are volunteering. A group of volunteers took part in the undertaking of moving the volunteer work room from the hall outside of media into the media area. It's not complete yet but coming along great. Paper, die cuts, copier, and other items are in the large storage area behind the library check out desk. The tech room behind the check-out desk has turned into a volunteer work room.

If you would like to become a BPS volunteer, you may apply online at the district webpage <https://www.brevardschools.org/site/Default.aspx?PageID=2327>.

If you are already a volunteer and interested in volunteering at Longleaf, please fill out this Google form and you will be notified of your current volunteer status:
