- Arrival- Early arrival is a major safety issue. There is **no supervision** before 7:30 am. Please do not drop off your students prior to 7:30 as they are not being monitored. This also pertains to walkers/bikers. Longleaf before/after care is available for a fee if you have a need. Please contact the front office for more information.

- Dismissal- As a reminder everyone is required to have a car tag in order to receive your student(s) when walking up to the front of the building. If you are not a resident of the apartment complex, Longleaf Preserves, you are asked to use the Longleaf car loop or park in our campus parking lots for dismissal and arrival. We cannot escort kindergarten students down to the gate and release them nor can we walk students off campus. This procedure is to ensure student safety. If you would like to request car tags, you will need to come to the front office with proper identification. Car tags will only be given to the custodial parents. Please remember that anytime a transportation method is changed, you will need to follow the below procedures.
 - Request for Change in Transportation Plans- Students must bring a note from home if using a different method of transportation or going to a different destination at dismissal time. Transportation changes will never be taken over the phone. If a student is enrolled in Longleaf After Care, it is the parent's responsibility to notify the classroom teacher, as well as Longleaf After Care when transportation plans have been changed.

- Car Riders- Please leave your car tag visible until you have secured your student(s) in your vehicle. The teachers at the lanes need to know what student(s) they are putting in the car. We appreciate your help in a safe and speedy dismissal.

Thank you for your help and cooperation in ensuring a safe and efficient arrival and dismissal.
