5. Old Business-
  - STEAM Night Reflection – Cari Smith stated everything was fun, great traffic flow. A suggestion was made to do the show first and then people might stay for small events.
6. New Business –
  - Wireless Communication Devices – Mr. Sherburne explained the policy is not new. The new school board is reviewing policies they want to be enforced.
  - Media Collection Development Policy – Eddy Lynn Kledzik explained and shared the collection development policy. All books purchased are to be vetted by the media specialist and must have input from SAC and stakeholders are invited to attend to preview materials. New purchases will also be published for two weeks on the school website prior to SAC meetings for the community to review. A school library includes all libraries/book collections for self-selection on a campus. Donated books must be vetted by the media specialist but do not need input from stakeholders.
