LUNCH BUNCH

Lunch Bunch is an opportunity for families to have lunch in school with their students. This program is available on Thursdays and supervised by our approved BPS volunteers or school designees. The families of our Bobcats are asked to limit sign up to once a month to provide opportunities to all our families. The following procedures are followed to maintain safety on campus.

1. Come at your student's designated time. We will not call students out of class early.
2. Sign-in at the front office with proper ID and get a badge.
3. Visitors will be escorted to our designated "Bobcat Lunch Bunch" area located in the Commons.
4. Students will be brought to/from the lunch area by our volunteer staff.
5. Visitors will check out in the front office when their student is picked up by the teacher. If you have multiple students, you will need to check out and check back in at their designated time as we do not have a waiting area.

Safety Reminders:

Parents/guests may not enter the cafeteria or go through the lunch line. Contacts on the student registration form are allowed to eat with the students. The contact may bring an additional guest with them. Other classmates will not be allowed to join your student for lunch.

Outside food will remain with the parents as well as any leftovers. Parents also have the option of checking their students out and taking them off campus for lunch.

To sign up for lunch bunch, click the link and select an open date. Fill in the appropriate information.
