

Fundraising:

The PTO conducts one fundraiser each year – at the start of each school year and supports the school’s Boosterthon Walk-A-Palooza fundraiser in February. The money raised during the fall

fundraiser, along with Box Tops collections, Amazon Smile, spirit nights, and other initiatives goes entirely to funding programs and services not covered in the school budget. For example, Manatee PTO funds such things as learning technologies; manipulatives and materials; functional equipment and supplies; teacher training; field trips and so much more. Manatee PTO is a 501c3 non-profit organization. Donations can be made via check, cash or through our **Venmo account @Manatee-PTO.**
