Mr. Kirk provided a quick update on staff changes. Two social studies teachers resigned their positions during the fall semester; one has already been rehired and we are advertising the second position. Mr. Flora, our Assistant Principal of Curriculum has been promoted to become the Principal of Madison Middle School. A committee will be interviewing candidates for the Curriculum position on January 16, 2018. If a candidate is chosen, he/she will be appointed at the January 23, 2018, school board meeting, starting at MHS as soon as possible following the appointment.

Mr. Kirk then explained our school Progress Monitoring Plan, which include a review of students with failing grades, discipline data, the graduation status of our senior class, attendance records, and the SIP goal of Standards-Based Instruction. The administration and guidance counselors are currently reviewing first-semester data and he will share the findings at our next meeting.

After a short review of recent edits, a motion to approve the revised bylaws was made, seconded, and carried.

Mrs. Ziegler, a US Government teacher, submitted a funding request for a set of novels to use as a supplement to her curriculum. The request was considered and discussed by the committee; it was then motioned to approve, seconded, and carried by the committee.

We had a short discussion about the gates at the front of the school and the need for clear signage to direct visitors to check in through the attendance office.

The meeting was adjourned at 8:01. The next meeting will be on February 1, 2018 at 7:30am in Room 812.
