Expected Behaviors from All

- No tolerance for bullying/harassment;
- Create a positive school climate, positive reinforcement for good conduct, self-discipline, good citizenship, and academic success;
- All will demonstrate appropriate behavior and treat others with civility and respect.

What to tell your child to do if he/she is being bullied/harassed:

- Tell the bully to stop;
- Walk away;
- Seek help from a trusted school adult;
- If it is repeated then make a report.

Find out the circumstances of the bullying and what exactly transpired.

You may be able to pinpoint how your child could have avoided being bullied. For example, walking away or avoiding the bully could help... especially if your child is with a friend or in a public place. *Do not* tell your child that it is his fault he is being bullied.

Talk to your child about being with friends and knowing which friends he can count on.

Encourage your child to cultivate these positive relationships and not to hang out with kids who make him feel badly about himself.

If the bullying is taking place at school, find a teacher or other trusted adult in the school to talk to about the situation.

This can be helpful, especially if there is a particular child that is bullying your child. Although your child may not want you to get involved, if your child's safety is at risk, then you must bring it to the attention of the authorities at school if the bullying is taking place on school property.

How Students Report

- Verbal: In-person reporting;
- Written: BPS Bullying/Harassment Reporting form - Elementary or Secondary/Adult;
- Anonymous: Bully Box, Speak Out Hotline (1.800.226.7733), School-based website if applicable.

Incident Reporting and Immunity

- **GOOD FAITH** – Anyone making a report in good faith is immune from cause of action/damages. It will NOT effect employment, grades, learning/working environment or assignments.
- **WRONGFUL & INTENTIONAL** – Consequences and appropriate remedial action will apply.

Teach Your Child the POWER of Bystanders! Bystanders should:

- Express disapproval by not participating in the bullying behavior-
DO NOT laugh along, DO NOT tease, DO NOT watch, listen, or gossip!!!
- Tell the bully to STOP!
- Walk away (encourage the victim to go with you);
- If you see the bullying behavior repeated, REPORT the bully / bullies.

Actions taken for students who violate the policy...

- Counseling;
- Letters / phone calls to parents of both the bully and the victim;
- Suspension;
- Expulsion;
- Reported to law enforcement.

Consequences for Parents, Visitors/Volunteers who violate this policy...
