

September is National
Childhood Cancer Awareness
Month

Support • Advocate • Cure

SEPTEMBER 1 - SEPTEMBER 22

In support of one of our own students, who is currently undergoing treatment, we will be collecting boxes of fun character band-aids for an organization called “Rosie’s Adventures.”

Rosie's Adventures' Annual Bandaid Drive

Help us collect fun character bandaids for our 3 local oncology floors--Nemours, Arnold Palmer, and AdventHealth Orlando-- in honor of Childhood Cancer Awareness Month!

September 1 - September 22

For more information contact us at info@rosiesadventures.org

WHY BOXES OF BAND-AIDS?

Because Band-aids matter! Children in treatment are frequently getting needle pokes and shots. Having fun character band-aid choices helps to make them feel a bit better and give back a sense of control during treatment.
