"Where Everybody Matters and Every Moment Counts"

February 2022

Dear OBE Families,

Can you believe it is already February? I know I can't! The school year is flying by and all the learning is keeping us very busy. Last week, we celebrated our 100th day of school and Launch Into Literacy Week. We also celebrated our science fair finalists and spelling bee winner!!

With the weather having been cooler, it was time to break out those hats and hoodies. It would be great if these items were labeled with your child's name, so that we can avoid sending them to the lost and found and get them back to the rightful owner. Furthermore, please remind students that it is best not to share hoodies and hats to minimize the risk of lice.

2021-2022 COVID Protocols

When students are a contact to a case **and** are *asymptomatic*, parents have the option to have the student quarantine for up to 7 days or remain in school. Students who are positive for Covid **or** are exhibiting symptoms are required to: 1) *Have a negative test and be asymptomatic*, 2) *Quarantine for 10 days, show an improvement in symptoms and have no fever for 24 hours un-medicated*, or 3) *Have written permission from a healthcare provider in order to return to school*.

Please notify the main office should your child become ill or test positive for COVID-19, so that we can evaluate the situation and determine if further precautions or notifications are necessary.
