

Hello Dolphins! My name is Michelle Allred, and I am thrilled to join the Ocean Breeze family! I'm fortunate that my boys had the opportunity to attend Ocean Breeze Elementary School, where my husband and I felt assured that they were in the very best hands.

My husband, Freddie, and I met in Eureka Springs, Arkansas 13 years ago. Freddie is a surfer and the surf was calling. So, we packed up our boys and landed in Indian Harbour Beach - on the same street as Ocean Breeze. We currently reside in Satellite Beach, and we all love the beachside communities!

With 28 years of experience in the field of education, I have always believed that pursuing this path has been my true calling in life. I earned my Bachelor of Science in Education from Missouri State University and my Master's in Educational Leadership from Barry University.

Throughout my diverse career, I have taught various elementary grades, covering nearly all levels except kindergarten. My professional journey has led me to teach in multiple settings, including private, public, and charter schools, and to serve in roles such as MTSS Interventionist, Title I contact, and Assistant Principal. I am eager to bring my wealth of experience and passion for education to the Ocean Breeze community and continue to make a positive impact on our students' lives.

I am looking forward to getting to know each and every one of you and continuing the Ocean Breeze tradition of excellence.

Thank you,

Michelle Allred
Assistant Principal
Ocean Breeze Elementary School
