## Re-Enrollment Reminder!

Re-enrollment information was sent out to families **March 7th**. If you haven't completed the online re-enrollment packet yet, please be sure to submit by **April 7th**. Below is the information of the re-enrollment process.

This year, the "are you returning" re-enrollment packet is electronic. In order to access the electronic re-enrollment documents, you will need an active *FOCUS Parent Portal* (FPP) account. The FPP allows you to view student grades, class schedules, assessment history, attendance, discipline referrals, communicate with teachers, complete registration/re-enrollment forms, etc...

If you do not have an active FPP account, you will receive a FOCUS pin number via email. This letter will include your student's ID number, the pin number, and directions for creating your FPP account. FOCUS can also be accessed on your wireless device by downloading the BPS FOCUS app.

For those with active FPP accounts, the re-enrollment forms can be accessed in a couple of ways. There is both a bit.ly and a QR code to take you to the instructions (see below). Also below, is a bit.ly and QR code for a video tutorial. Please read the instructions thoroughly to ensure you are submitting "re-enrollment" information.
