Dear Ocean Breeze Families,

It has been my honor and privilege to lead Ocean Breeze Elementary School this year. This is a truly amazing school community.

I would like to personally thank the members of the Ocean Breeze PTO for their hard work and dedication to our total school program this year. These volunteers have given a great deal of time, energy, and effort to ensure our students and staff have a wonderful school environment in which to learn, work, and grow.

We've already begun considering our strengths and areas of improvement to chart our course for next year. Thank you to those parents who completed the district parent survey. The feedback from the district and SAC surveys will be reviewed and used to guide our decision making and allow us to streamline our practices.

Wishing you all a wonderful, restful and joyous summer full of family fun and lasting memories.

Sincerely,

Shelley A. Michaud
