

I'd like to take a moment to introduce myself as the proud principal of Ocean Breeze Elementary School. I am extremely excited about working with you and the fabulous staff at Ocean Breeze to ensure that your child's time at school is amazing.

While I was raised in New England, I've been visiting family and family friends in Brevard County since the early 1980's. I have served as the principal of Ocean Breeze since 2018 and was principal of two schools in Connecticut prior to relocating with my husband to

Satellite Beach.

My educational career spans 25 years as a middle school social studies teacher and elementary principal. My educational background includes degrees in early childhood education, history and social science, reading and language arts, and educational leadership.

The Ocean Breeze community is dedicated to excellence which is strongly supported by both school and local community members. Together we ensure that Ocean Breeze continues to provide a safe and positive environment focused on student growth and success. We live by our school motto is, "Where Everybody Matters and Every Moment Counts".

I look forward to meeting our new students and their families, as we continue our history of excellence!

See you soon,

Shelley A. Michaud
Principal
Ocean Breeze Elementary School
