2026-2027 Brevard County Public Title I Schools

Oak Park Elementary

School-Family Compact for Learning

District and School-based Title I Family Engagement Programs in Brevard County will strive to **BUILD RELATIONSHIPS** to create real family engagement for **every** child, every family, **every** teacher, **every** day.

This document was jointly developed by the families, students and staff of Oak Park Elementary School. This agreement explains how families and teachers will work together to make sure all students reach grade-level standards. Meetings are held each year to review this Compact and make changes based on student needs.

School <u>academic</u> goal(s) and/or focus area(s)	***Oak Park will work together to provide all students with every opportunity to reach their full academic potential, with an intensified effort being placed in the areas of Math, Reading, Science, and working with the lowest 25%.***
Working together for success: In the classroom	Students will be provided a safe, student-focused, engaging learning environment. Teachers will collaborate with teammates and coaches to plan and provide standards aligned instruction, along with using standards focus boards and standards focus documents with scaffolded lessons. Students will be provided the support they need through differentiated and small group instruction and struggling students will receive additional support through our Response to Intervention block. Teachers will initiate conversations with families and provide feedback on student progress throughout the year. Students will strive to meet PBIS SOAR expectations while in the classroom.
Working together for success: At home	**Families will support learning at home by having their child monitor their progress through Focus on a regular basis, help them foster a respectful and positive attitude towards learning, discuss the importance of following SOAR expectations both in person and online, and ensure that all children attend school regularly and on time. Families will maintain open communication with teachers and attend scheduled conferences and meetings. Families will do their best to read with students for 20minutes a night to encourage literacy success.**
Working together for success: Student responsibility	Students will be responsible for their learning by knowing their learning targets for each lesson, accepting responsibility for their actions, responding respectfully when spoken to, asking for help and actively participating in the classroom. Students will follow our school-wide SOAR expectations by demonstrating safety, staying on task, being accepting, and being respectful within the school community.
Communication: Staying informed	Teachers will provide communication to parents regularly through social media, Focus, newsletters, planners, emails, notes, and/or phone calls, as needed. Parents will communicate and provide the school with updated contact information and make every effort to respond to teacher efforts of reaching out to families for support. Staff members will encourage communication through phone calls to initiate conversations with families. School staff will update Focus grades on a regular basis and reach out to families when parent conferences and/or individual support is needed. Data will be shared with families in the areas of Math, Reading,
Building Partnerships	Families will attend and participate in virtual parent conferences as well as view recorded family events/trainings when possible. Title 1 personnel will ask for input and use it to help develop and support the Title 1 program. Families will utilize online resources provided through teachers' FOCUS resource pages. Teachers will award Positive Referral Forms and house points to students for exceeding SOAR expectations. All parties will work together to help increase student achievement in Math, Reading, and Science. Staff will do their best to have events be held at the most opportune times for families to be able to attend.
