Who We Are

The Children's Hunger Project is a 501(c)(3) non-profit charity dedicated to eliminating the growing problem of weekend childhood hunger.

With the help of a dedicated staff and team of volunteers, we provide kid-friendly food packages to elementary school students who would normally come to school hungry on Monday mornings. Improved nutrition on the weekends enable "at-risk" children to be better prepared to participate in their education.

We buy food. We feed the kid.

Kids are also hungry on the weekends...

“I get to see firsthand how important these food packages are. For many students the weekends can be a time of wondering when they will get their next meal.”

Kevin, teacher at Golfview Elementary

“I am so thankful for this program. Sometimes we have nothing to feed our children. It is hard to accept that sometimes I can't meet my kids' basic needs.”
