PTO Board Position Request

The PTO is currently seeking volunteers to fill PTO board positions. We are looking for motivated parents with exciting new ideas to fill these positions for the 2026-2027 school year.

What is the PTO? We are a group of teachers and parents that work together to ensure that Port Malabar Elementary staff and students get the support they need. Through financial help (fundraisers), input, and school events we work together to make every student's learning experience at Port Malabar Elementary the best it can be!

The PTO meets the last Monday of every month, in the media center at 3pm. Children are welcome to attend with you! Our next general PTO meeting will be Aug. 31.

If you are interested in joining the board or if you have any questions concerning positions and their responsibilities, please contact:

portmalabarPTO@gmail.com

Thank you,
Port Malabar PTO Nominating Committee
