

# Complete your placement test with **EFSC ASSESSMENT CENTERS!**

## **OPTION 1: Test on Campus**

Go online to select an available appointment time at any of our four locations.

[easternflorida.edu/go/appointment](https://easternflorida.edu/go/appointment)

## **OPTION 2: Test Online**

If you have the necessary technology available at home, an ACCUPLACER test session can be proctored virtually for a fee of \$25.

[easternflorida.edu/go/accuplacer](https://easternflorida.edu/go/accuplacer)

## **CAN I RETEST?**

High school students may take a placement test up to three times within the same 12-month period. The PERT and ACCUPLACER are different tests, but both are placement tests, and any combination of the two options may be used. (Ex: 2 PERT + 1 ACCUPLACER = 3 placement tests) Each test session must also take place at least 30 days after any previous attempt at a placement test.

When testing with EFSC, there is a retesting fee of \$10 for each subject area. Students wishing to retest do not have to take all three subjects and may instead make appointments for only the subjects they wish to attempt again. If registering for an on-campus appointment, please pay careful attention to the instructions provided at [easternflorida.edu/go/appointment](https://easternflorida.edu/go/appointment) regarding access codes.
