GREAT news! Under the Community Eligibility Provision (CEP) of the National School Lunch Program, we will offer both **FREE** breakfast and **FREE** lunch daily to all enrolled students for the 2023-24 school year:

- No need to pack a lunch – all students have access to healthy meals at no charge.
- Forgotten or lost lunch money is no longer a concern, all meals are **FREE!**
- A la carte items will still be available daily for purchase.

Questions and Answers:

1. I have a child attending a CEP school and another child attending a non-CEP school. Do they both receive free meals?

No, free meals are only for children that are enrolled at the CEP school. The CEP status does not extend to siblings who attend non-CEP schools. You must complete a Free & Reduced Meal Application for your family to see if your other children qualify for meal benefits.

2. Can my child still purchase a la carte items?

Absolutely! We have a wide array of items available a la carte. Bottled water, healthy snacks and ice cream are for sale. We do encourage “no cash” in the cafeteria, so please be sure to fund your child’s account at www.mypamentsplus.com to ensure they have funds for the extra items they wish to purchase.

We look forward to serving your student a healthy breakfast and lunch **FREE every day!**
