For Riviera Families ~ August 30, 2020

Week One!

Families,

We had a great first week of the school year! Overall, it went very smoothly, and I am so proud of our students! They have done an excellent job keeping their masks on when needed, staying separated in the hallways, and following all the procedures we have in place to keep everyone safe and healthy.

Parents-We have a HUGE shout out to you! I know it has been difficult to not walk your student(s) to class, especially on the first day of school. I can't say "thank you" enough for your understanding on this change. We have so many staff members helping make sure students get to class each morning, it is going very well.

As we enter week 2 and welcome our VPK students, we ask for your continued understanding and patience as we navigate through the start of school. Thank you for your partnership and sharing your child with us each day.

-Mrs. Myers
