FOR RIVIERA FAMILIES ~ SPECIAL EDITION ~ SEPTEMBER 16, 2020

PARENTS, WE NEED YOUR HELP!

Riviera elementary is updating their Parent and Family Engagement Plan, this Friday we will hold 2 zoom meetings, the first meeting will be at 8:30AM and the second meeting will be at 3:00PM. Both meetings will go over each topic in the Parent and Family Engagement Plan that needs to be reviewed. We will be asking for your input and seeking your ideas and suggestions on how to involve parents at school and how to be involved with your student's academics. Your input is key to making this plan a success.

A NOTE FROM OUR SCHOOL SOCIAL WORKER

Dear Parents/Guardians,

My name is Mrs. Carrie Piscia and I am the school social worker here at Riviera Elementary. My role is to help our students in their social-emotional growth at school, and to educate and support staff and parents as well. I am very excited to continue being part of the Riviera Team and am looking forward to another great, although quite different school year.

One of my roles here will be to speak with students both individually and/or in a group setting in order to support them and help them to develop important social skills and coping strategies that will carry them throughout their years in school and into adulthood. I plan to work collaboratively with our school counselor and teachers to best assist each student, and support you as parents as well by connecting you to resources in the community that might be beneficial to you and your family.

I look forward to continuing to work with this wonderful team and build relationships with our students and families. Please feel free to reach out to me if you have any concerns or are in need of any resources and I will do my best to connect you.

Thank you and stay well!

Sincerely,

Carrie Piscia, MSW, LCSW, CLYL
