For Riviera Families ~ August 10, 2020

## It's Almost Time

It's almost time to start back to school, a day we have looked forward to for many months!

If you have not completed registration paperwork and finalized how your student will learn next year (face to face or eLearning), please come to the front office **tomorrow** to do so. We are in the final stages of planning classrooms and must have your student registered and know which option you are participating in ASAP.

Our teachers returned today and are busy preparing their classrooms. We spent our morning going over our Riviera Reopening Plan and are eager to begin the new school year! We have many measures in place to keep your students safe. You will see some pics of our preparations below. We will share more soon!

Again, if you haven't come in to finalize registration and let us know which learning option your student will do for the start of the year, please come to the front office tomorrow.

Thanks,  
Mrs. Myers

## Who is my child's teacher?

Teachers will reach out to families next week to introduce themselves. If you do not hear from your child's teacher by next Wednesday, August 19th, please call the front office.

## Supply Drop off 1st-6th grade for Face to Face Students

August 14th from 12pm-2:30pm

You may drop off school supplies and we will ensure it gets to your child's classroom. Any supplies not dropped off on the 14th will need to be brought on the first day of school.

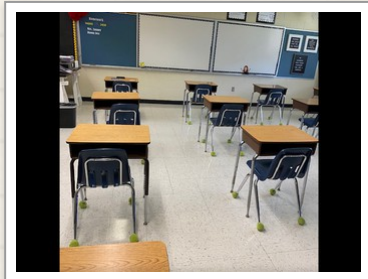

## My child is eLearning, now what?

The eLearning teacher will reach out to you next week. They will have a virtual meet the teacher/how to prepare for the first day of school session prior to the start of school. The teacher will let you know when and how to access this when they call.

We have a limited number of devices we are able to give some families. If we are able to provide your family a device, you will be notified later this week.

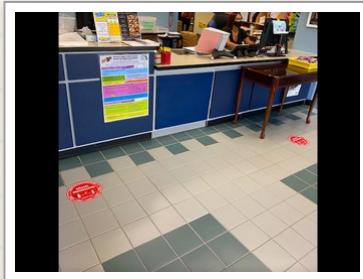

## Virtual Meet and Greet

Because families cannot come on campus to meet the teacher, we will have a virtual meet and greet with the teacher next week. Your child's teacher will let you know when this is and how to access it when they call you introducing themselves.

### Classrooms

Desks in rooms are spaced to ensure as much distance as possible.

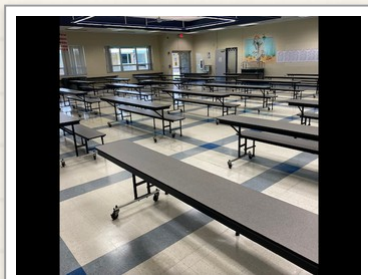

### Front Office

Social distancing stickers on the floor indicate where to stand when in the front office to ensure social distancing.

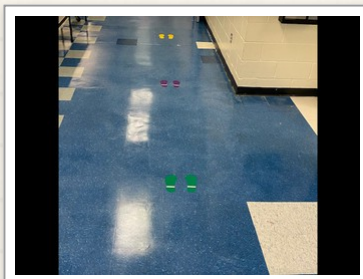

### Spacing in Hallways

Spacing to indicate 6 ft. are in each hallway to ensure students are able to social distance.

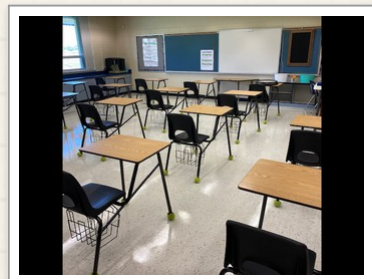

### Cafeteria

Students will sit 6 ft apart in the cafeteria while eating.

### Floor Decals in Cafeteria

Spacing on the floor will show students where to stand when waiting in the cafe line.
