Dear families,

This week was so much fun!

Our PTO organized and held our first ever Penny War. As you know by now, each grade level brought in change and strategically dropped it in grade level containers for positive and negative points. It was a tough battle but our 3rd graders persevered and came out on top with over 31,000 points. The best part of all, was the fun and excitement!!!!

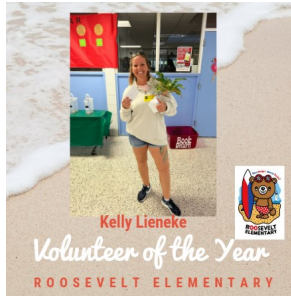

You helped raise over \$3800. to support the teachers and students at Roosevelt Elementary. We are so blessed to have an amazing community that always steps up for the kids!

Have a beautiful weekend!

Kathy Lott

Congratulations to all the students that completed the 30-minute bike cardio challenge. The top was 49 laps. Please encourage your children to wear helmets when on a bike it is a Florida Law.

We are working on drum fit and jump rope skills for this unit. I hope to see many more children achieve the goals set-

10 - Kindergarten	40 - 3rd
15 - 1st	50 - 4th &
20 - 2nd	100 for 5th & 6th.

Jump rope is a lifetime skill that improves overall cardio respiratory endurance and muscle strength.

Next newsletter I will have run results and Tennis information.

Thank you,
Michelle Sirounis, PE Coach
