Principal's Message

Mrs. Elizabeth Hill-Brodigan

## Happy Thanksgiving

It is hard to believe that Thanksgiving is quickly approaching!

The kids are having meaningful hands-on learning opportunities!

We have some fantastic fieldtrips happening to Brevard Zoo, Space Force, and KSC.

I would like to extend my utmost gratitude to families, PTO members, volunteers, community members, and out business partners for all they do for our school. Our teachers, support staff, and students are amazing as well!

I am blessed and grateful to represent this wonderful elementary school! I look forward to seeing you at our Thanksgiving holiday lunch!

Elizabeth

## Congratulations!

Mrs. Ana Lauriano  
Volunteer of the Year!

Mrs. Lauriano, our current PTO, Vice President and helper of endless projects!

Ms. Annette Morefield  
Sr. Volunteer of the Year!

Ms. Morefield, current member of our SAC and runs our School Store!

Join me in earning money for our school by using the Box Tops app. It's an easy way to make a difference. Use the link below to download the Box Tops app:

All children, regardless of income, is eligible to receive health insurance. Many families are not aware that they can qualify for benefits. With many changes in family circumstances due to COVID, rising inflation and more, there may be families who never experienced the need for subsidized coverage, but that could benefit from it now.

Even families that do not meet income eligibility requirements are able to obtain coverage. This, especially, could be beneficial for self-employed individuals or those who just want to find a more competitive rate. Additionally, recent changes to Medicaid may mean students and families may no longer be eligible for coverage or may need to reapply. This summer Governor DeSantis and the State Legislature also increased the income eligibility range for families.

## The Academic and Social/Emotional Benefits of Regular Attendance

Research has shown the following benefits from consistent and on-time attendance including but not limited to:

- Sleeping and eating patterns are stabilized with good effects on health.
- Promotes fewer gaps in your child learning.
- A predictable schedule builds the child's confidence at home and school.
- Children know what to expect in the classroom because they were there

the previous day.

- Children recognize they are part of a community; their peers and teacher expect and include them and miss them when they are gone.
- Ongoing, extended conversations and learning are able to be built upon.
- Children learn to increasingly control their emotions simply by being in a consistent environment and on schedule every day.
- Teachers spend less time "catching them up" and more time building on what they learned the day before.
- Parents and families feel more a part of the school community and are able to support and engage with each other.

Congratulations to the following  
Walk to School Poster Contest  
Winners

2<sup>nd</sup> Grade - Oren D

4<sup>th</sup> Grade - Gwen C

**Overall top poster winner- Mackenzie B.**

All Kindergarten-2<sup>nd</sup> Grade students interested in attending a Fuel Up Club on Friday afternoon starting in December should see Coach Sirounis for a permission form.

This club is designed to teach children nutrition as well as design fun cooperative games. It will run from 1:15PM-2:30PM on Friday's.

Please help support the Physical Education program by purchasing Speed Stacks. This program has research-based benefits for your child both in reading and math.

We will be participating in the WSSA World Record Event on November 14-16<sup>th</sup> at Roosevelt Elementary during Physical Education classes. **See Attached Flyer!**

*Right Here. Homemade from Roosevelt Elementary*

*Order Form is attached & can be found in the*

*Front Office*
