Dear Roosevelt families!

Big News! Big News!

Tuesday, April 25, Mrs. Elizabeth Hill-Brodigan, was appointed the principal of Roosevelt Elementary effective July 1. I am sure she will be setting up a meet and greet soon.

I want to thank you for your patience and support this year. I was blessed to work with great faculty/staff, families, and students at Roosevelt this year, but it best for both schools to have a focused principal on campus EACH and EVERY day! I will only be a mile away and look forward to maintaining this relationship between Freedom 7 and Roosevelt. It truly was an amazing experience, that I wouldn't trade for anything. I'm not going to lie... I am a little sad it is coming to an end ❤️

Last week, our students participated in Field Day and the Color Run! Thank you for your participation and supporting Roosevelt and our PTO. They have worked hard to this year to increase volunteers, family engagement, and most of all- OUR STUDENTS! Now, Mrs. Blaile and I must go through a Human Carwash.... What does that even mean? Stay tuned!

THANK YOU, ROOSEVELT PTO!!!

Have a wonderful weekend!

Mrs. Kathy Lott, Principal

Prescription Pick-Up

As the end of the school year approaches, I'd like to take this time to remind you to pick up your child's medication. The clinic is open each day from 8:00 am to 2:00 pm. The Nurse is here during these times for you to pick up your child's/childrens medication.

Medications will not be given to students to bring home. By policy, we are required to discard/destroy all remaining medication whether non-prescription or prescription which has not been picked up by a parent or guardian by Friday May 26, 2023 by 12:00 PM. The school cannot store any medication over the summer.
