Dear Students and Parents, ,

As the school year draws to a close, I wanted to take a moment to celebrate and reflect upon the remarkable journey we have undertaken together. It has been a year filled with challenges, growth, achievements, and unforgettable memories. I am immensely proud of each and every one of you for your dedication, resilience, and commitment to excellence. I am so happy I was given the opportunity to work with each of you!

Community Partnerships: We have a strong sense of community and support at Roosevelt Elementary. Throughout the year, we have witnessed incredible acts of kindness, empathy, and inclusivity. From Penny Wars to Color Runs, your compassion and solidarity have strengthened our school community. Let's continue to nurture this spirit of working BETTER together.

Appreciation for Staff and Parents: The last few weeks have been chuck full of celebrating. Today our volunteer breakfast and teacher appreciation a week ago. We extend our heartfelt appreciation to our dedicated and talented staff members who have worked tirelessly to create a nurturing and engaging learning environment for our students. We also want to express our gratitude to the parents and guardians who have been instrumental in supporting and encouraging their children's educational journeys. Your involvement and partnership have played a crucial role in the success of our students. Thank you for entrusting us with their education and for being valuable members of our school community.

As I bid farewell to this academic year and my time at Roosevelt Elementary, I eagerly anticipate the adventures and opportunities that will bring our school communities together in the future. Continue to strive for excellence, innovation, and continuous improvement in your educational endeavors. Remember that learning is a lifelong journey, and I encourage you to carry the enthusiasm and knowledge gained this year into your future endeavors.

Next week we will officially wrap up the year. Our kinders will roll up and our 6th graders will Move On! On behalf of the entire school staff, we wish you a safe, enjoyable, and rejuvenating summer break. Take this time to relax, pursue your passions, and create lasting memories with family and friends. Congratulations on a wonderful school year!

Proudly, Roosevelt Elementary Principal 2022-2023
Mrs. Kathy Lott
