Dear families!

We had an amazing turn out for Open House last week. The teachers enjoyed sharing about their day and what to expect for the year. Hopefully, you had a few minutes to visit the media center for the Book Fair and to stop by to visit some of our activity and support teachers. They are doing exciting things in their programs and several are offering before and after school clubs! Research suggests that participation in extracurricular activities increases students' sense of engagement or attachment to their school. (Lamborn et al, 1992; Finn 1993).

Student Interims were posted for grades 1-6 last Thursday. Be sure to check FOCUS for the latest on your child's progress. Also, students in grades K-6 have participated in the first round of progress monitoring assessments, STAR and FAST. This data will be used to guide instruction moving forward. All parents will receive their child's results. If you have any questions about the scores or your child's progress, please feel free to reach out to your child's classroom teacher or our Assistant Principal, Mrs. Blaile at (321) 868-6660.
