To add a contact, click on the **Add New Contact** button. This confirms the parent has read and agrees to the BPS rules regarding parents/legal guardians and emergency contacts.

If parents have shared custody, both parents' contact information must be included. In the case of an emergency, it is imperative that the school be able to reach the student's parent/legal guardian as defined in Section 1000.21 (5), Florida Statutes. Both the registering parent/legal guardian and the non-registering parent/legal guardian of a student shall be listed on the emergency contact list as persons authorized to pick up the child from school except where a court order has revoked the parental rights and a signed copy of such Court Order has been provided to the school per Domestic Relations Court Administrative Order 15-10-B. Both the registering and non-registering parent/legal guardian shall designate on the Emergency Contact List those persons authorized to pick up their child from school in an emergency. No parent shall delete or in any way alter the names provided by the other parent/legal guardian on the emergency contact list. It is both parents' responsibility to inform the school of any changes to the information each has provided on the emergency contact list.

Any and all persons listed as an "emergency contact" will only be called and allowed to pick-up the student during an emergency. The registering parent/legal guardian will need to contact the school prior to the release of a student for "nonemergency pick-ups".
