

# Scheduling Book Checkouts

- If you would like to bring your classes for book checkouts, please reach out via email, phone call, or a personal conversation
- My book loans are for three weeks and I try to schedule classes to return to the library every three weeks whenever books are due
- I prefer to include a library activity during a book checkout class period, but am happy to work with your schedule. Example activities include:
  - Book Talks
  - Book Trailers
  - Book "Tasting" activities
  - Read alouds
  - Genre Personality Quizzes
  - Book Stations
  - And more!
