## SPACE COAST JR. SR. HIGH SCHOOL ADVISORY COUNCIL (S.A.C.)

# MONTHLY MEETINGS

We are looking for parents who would like to serve as a member of our School Advisory Council (SAC). SAC is a school-based group intended to represent the school, community, and those persons closest to the students that shares responsibility for supporting the schools continuous improvement. A SAC group should be composed of the principal and an appropriately balanced number of teachers, education support employees, students (at the secondary level), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Certain members are elected by their peers, business and community members are appointed by the SAC, and the principal automatically serves. Only students in secondary schools serve on SAC. It is also a requirement that the majority of the members of the SAC are NOT employed by the school district. For further information, see Section 1001.452(1)(a), F.S.

Parents and students, the 2024-25 athletic packet is now available on our school's athletic webpage. In order to participate in summer workouts and athletic competition next school year, this packet would need to be completed and approved by the school. Everything is to be completed on-line using the Athletic Clearance link found on our website. No physical paperwork is to be dropped off at the front office. Please make sure that you use the updated forms provided on the site. The NFHS course certificates must have the student's name on them, not a parent/guardian name. Please be sure to not leave off any signatures required prior to submitting your packets on-line. Email Athletic Director, Steve Slentz if you have any questions.
