# How can my parent fill out the FAFSA if they can't use my FSA ID?

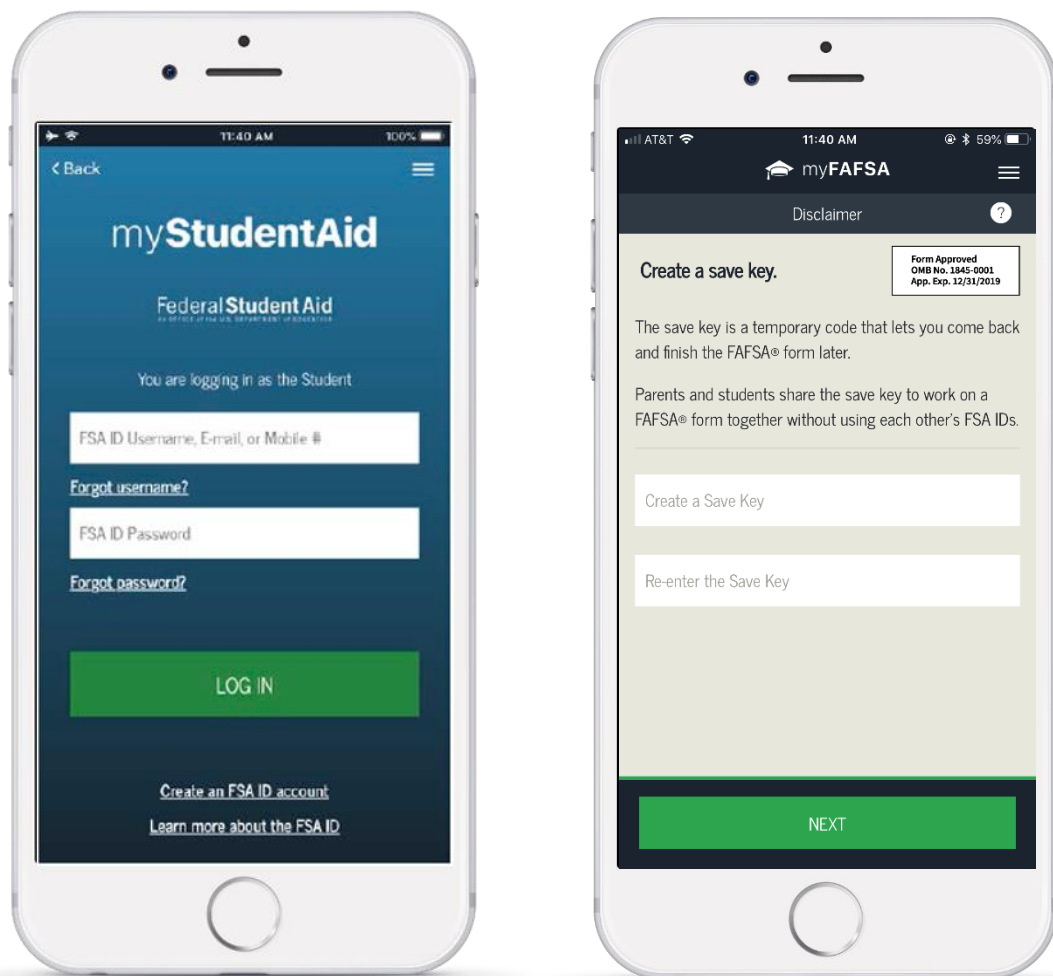

- [This video](#) helps your parent work on your *Free Application for Federal Student Aid* (FAFSA) without using your FSA ID.
- The key to completing a FAFSA with your parent when you aren't together is something called the **Save Key**. The Save Key is a short, temporary password you can give someone when it is time for them to work on your FAFSA. Here's how it works:
- Start a FAFSA at [fafsa.gov](https://fafsa.gov). Click on **Start Here**.
- On the "Login" page, you can start a FAFSA with your FSA ID (on the left) or your parent can start it with your name, Social Security Number and date of birth (on the right).
- Whoever starts the FAFSA will be prompted to create a Save Key. Make a note of it.
- Whenever the first person is done with their part, save the FAFSA and close out of it.
- Give the other person the Save Key. Then that person can use the Save Key to get into the partially completed FAFSA and do his or her part. A parent can get in by entering your (the student's) identifiers on the right side of the "Login" screen and never needs to use your FSA ID.
- When everyone is done with their parts of the FAFSA, be sure to click **Submit My FAFSA Now** at the bottom of the "Signature Status" page. You are not done until you see the "Confirmation" page, which you should read and save for your records. If your parent has another child in school, there is a link on the "Confirmation" page to start a new FAFSA for that child, allowing your parent to transfer much of their information and save time.
- It is very important that you and your parent create and use your own FSA IDs. The FSA ID acts as a legal signature and should not be shared. Letting someone else create your FSA ID is not allowed and can create problems and delays with your financial aid. For more information or to create your own FSA ID, go to [StudentAid.gov/fsaid](https://StudentAid.gov/fsaid).
- If your parent does not have a Social Security Number, he or she will not be able to get an FSA ID. In that case your parent will print, sign, and mail in a paper signature page.

# myStudentAid Mobile App

- Confirmation of submission
- Estimated EFC calculation

# IRS Data Retrieval Tool (DRT)

- Allows for certain tax return information to be transferred from the IRS database
- Participation is voluntary and student chooses whether or not to transfer data to FOTW
- IRS will authenticate taxpayer's identity
- If tax record is found, IRS transfers information to populate the FAFSA
- Reduces documents requested by financial aid office
- **The IRS Data Retrieval Tool will be unavailable Sunday, Oct. 6, from 7 a.m. until 5 p.m. Eastern time. During this time, students can still complete and submit a FAFSA form by entering the necessary tax return information manually.**

# IRS Data Retrieval Tool

## Certain tax filers cannot use the IRS Data Retrieval Tool

Did not indicate on FAFSA a tax return was completed

Marriage date is January 2019, or later

First three digits of the SSN are 666

Filed a non-U.S. tax return

Married and filed as head of household, or filed separate returns

Neither married parent entered a valid SSN

Non-married parent or both married parents entered all zeroes for the SSN

# FSA ID

- Used for FAFSA completion and allows access to certain U.S. Department of Education websites
- May be used by students and parents throughout financial aid process, including subsequent school years
- Only the owner should create a FSA ID
- Apply at <https://fsaid.ed.gov/npas/index.htm>

The screenshot shows the 'Create a New FSA ID' page from the Federal Student Aid website. At the top, it features the 'Federal Student Aid' logo and the text 'PROUD SPONSOR of the AMERICAN MIND®'. Below the header, the page is titled 'Create a New FSA ID' and includes a brief explanation of what an FSA ID is and how to use it. It also contains a warning about the importance of not sharing information and a 'CONTINUE' button at the bottom right. The main form area has two tabs: 'Create an FSA ID' (selected) and 'Manage My FSA ID'. The form prompts the user to 'Create your FSA ID username and password below.' and includes three input fields: 'Username', 'Password', and 'Confirm Password'. The 'Password' field has a strength indicator showing 'Numbers', 'Uppercase Letters', 'Lowercase Letters', and '8-30 Characters' are checked, and 'Show Text' is unchecked.

**SECTION 3 - PARENT INFORMATION**

**Who is considered a parent?**  
"Parent" refers to a biological or adoptive parent or a person determined by the state to be a parent (for example, if the parent is listed on the birth certificate). Grandparents, foster parents, legal guardians, older siblings, and uncles or aunts are **not** considered parents on this form unless they have legally adopted you. If your legal parents are living and married to each other, answer the questions about both of them. If your legal parents are not married and **live together**, answer the questions about both of them. In case of divorce or separation, give information about the parent you lived with most in the last 12 months. If you did not live with one parent more than the other, give information about the parent who provided you the most financial support during the last 12 months or during the most recent year you received support. If your divorced or widowed parent has remarried, also provide information about your stepparent.

**Providing Information**  
Parent 1 (first)  
Parent 1 (second)  
 Check if you are a stepparent

**Did you file a tax return?**  
If your parent has filed a tax return, you can enter the IRS Data Retrieval Tool (DRT) to transfer information from your parent's tax return to the FAFSA form.

**What was your parent's occupation?**  
Skip this question if you are a dependent student.

JOHN SMITH

Dear JOHN SMITH,  
Your Student Aid Report (SAR) Acknowledgement summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

**Application Status (review the checked boxes)**

- Your FAFSA appears to be complete. Review the data on page 2 and 3. We may have assumed certain information to calculate your eligibility for federal student aid. We printed any assumptions we made and the word "assumed" for the items on the back of this page. If you need to make corrections, you can go to <https://fafsa.gov> and use your FSA ID to access your information or you can contact the financial aid office at one of the schools you listed on your application for assistance. The school(s) listed on your FAFSA will receive your information.

**Federal Student Aid Eligibility (review the checked boxes)**

The data submitted on your FAFSA is used to calculate your Expected Family Contribution (EFC), which is 000000.

The EFC is not the amount of money that your family must provide. Rather, you should think of the EFC as an index that colleges use to determine how much financial aid you would receive if you were to attend their school. Financial aid may include grants (free funds that do not have to be repaid), work-study (paid part-time employment), and/or low-interest loans (borrowed funds that must be repaid). This award information will vary from college to college because the cost of attending each is different. Please note that your EFC is subject to change if you update or correct your FAFSA. For more information about the EFC and other sources of aid, go to [StudentAid.gov](https://StudentAid.gov).

- Based on your EFC it appears that you may be eligible for a Federal Pell Grant of up to \$6,395, provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program. You may also be eligible for other grants, work-study opportunities, and low-interest student loans. Your Financial Aid Administrator (FAA) will determine what types of aid and how much you are eligible to receive.
- We sent your information to other federal agencies through computer matching programs to verify your eligibility for federal student aid and there appears to be an issue with the information provided on your application. You can review information about these issues by going to <https://fafsa.gov> and selecting "View or Print your Student Aid Report (SAR)" after logging in. You must work with your financial aid office to resolve any data matching issues before we can determine if you are eligible to receive federal student aid.
- Unless you are completing the verification process, it may be too late for you to make corrections or give us any more information this year. If you are completing verification and you need to correct your information, contact the Financial Aid Administrator (FAA) at your school for assistance. We must have your corrections no later than **September 11, 2021**.

You should keep this SAR Acknowledgement for your records!
