

Sherwood Elementary School

Thank a Soldier Care Package Project

As part of our Character Education program at school, we are teaching the students about compassion, caring and community involvement. Please join us in providing care items for soldiers stationed overseas. Donations may be sent in with your child or dropped off in the main hallway at the designated tables. Individually packaged items for food are very much appreciated. Below is a recommended list of items from a soldier's perspective. We appreciate your help to show our soldiers we care!

Donations accepted through Friday, December 18, 2015.
