EMERGENCY AUTHORITY

In the case of an emergency, it is imperative that the school be able to reach the student's parent/legal guardian as defined in Section 1000.21 (5), Florida Statutes. Both the registering parent/legal guardian and the non-registering parent/legal guardian of a student shall be listed on the emergency contact list as persons authorized to pick up the child from school except where a court order has revoked the parental rights, and a signed copy of such Court Order has been provided to the school per Domestic Relations Court Administrative Order 15-10-B. Both the registering and non-registering parent/legal guardian shall designate on the Emergency Contact List those persons authorized to pick up their child from school in an emergency. No parent shall delete or in any way alter the names provided by the other parent/legal guardian on the emergency contact list. It is both parents' responsibility to inform the school of any changes to the information each has provided on the emergency contact list.

Anyone listed as an "emergency contact" will only be called and allowed to pick-up the student during an emergency. The parent/legal guardian, with the legal authority to do so, must contact the school prior to the release of a student for "non-emergency pick-ups".

Dear Parent/ Guardian,

The "yes" response(s) on the **Home Language Survey** you completed for your son/ daughter require(s) assessment of his/ her English proficiency so teachers can better serve him/ her. The Brevard School District uses the IDEA Aural/ Oral Language Proficiency Test in all grades to determine listening and speaking proficiency. In grades 3-12, the reading and writing proficiency in English is also assessed.

- If you answered "yes" to question one **only** (Is a language other than English used in the home?) then your son/ daughter will **not** receive ESOL services before the testing.
- If you answered "yes" to either question two or three or to both (Did the student have a first language other than English? and/ or does the student most frequently speak a language other than English?) then your son/ daughter **will receive** ESOL services before testing.
- If your son/ daughter is in grades 3-12, tests fluent on the Aural/ Oral Language Proficiency Test and has no recent standardized test scores for reading and writing, a reading and writing test will be given.
- If the testing cannot be administered within 20 days of the **Home Language Survey** you will receive an explanation from the school.

The school will give the tests and you will be notified regarding your son's/ daughter's eligibility for ESOL services. The ESOL Program provides services to Limited English Proficient students by placing students with classroom teachers who have had training in strategies to make English and subject area content understandable to them.

STUDENT TECHNOLOGY ACCESS INFORMATION

Brevard Public Schools strives to foster a culture of collaboration and an atmosphere of engagement as we prepare students to thrive in a digital world. While we remain committed to the high standards of Florida’s curriculum, we also believe that school districts are obligated to provide students with skill in digital literacy within the context of those standards. For this reason, the District provides students with computer access to the Internet, email, digital communication and collaboration tools, and online educational resources. These resources are managed at a grade appropriate level as described below.

Standard accounts and applications that are created for students include:

- *Student Account – Provides each student with a unique username and password that is used to access the district computers and applications.*
- *Google for Education – Google accounts provide students with access to web-based programs and collaboration tools.*
 - *Students in grades PK-6 are provided with limited access to communicate and share with district staff and other students enrolled in Brevard Public Schools.*
 - *Students in grades 7-12 are provided with open, authentic access to communicate with others via email and web posting.*
- *Office365 - Students will have access to Microsoft Office applications at school and at home. Students will also have an email account and cloud storage space provisioned for them.*
- *Classlink Launchpad- Launchpad provides students with single sign-on access to a variety of educational resources and digital textbooks utilized to support standards-based instruction.*

Students are expected to comply with the terms of the Brevard Public Schools Acceptable Use Policy while accessing District technology resources. Please review the Acceptable Use Policy that is located in the student handbook with your child. District technology resources are to be utilized for educational purposes only. Should students not comply with this policy, disciplinary action may result.

Brevard’s Cloud-based Apps will have several layers of security designed to protect students and enforce our Student Acceptable Use Policy (7540.03). While it is Brevard’s intention to provide a completely safe and sterile computing environment, doing so with absolute fidelity is impossible to guarantee. Brevard’s system administrators will have full authority and ability to monitor content and investigate concerns. District administrators may disable access if a student is found to be using the systems inappropriately, violating the acceptable use policy, or at the discretion of the school Principal or district official. All student web traffic will be filtered at or beyond CIPA compliance.

Parents have the right to terminate their child’s access to technology tools and resources. If you choose to restrict your child’s access to technology, request that your school provide you with the Technology Opt-Out form 7540.03f1 for your signature. Please be aware that your decision to eliminate your child’s access to these tools may significantly impact your child’s ability to work collaboratively with his or her peers and may inhibit the development of digital skills.

2. Consent to Participate and Acknowledgments

To receive an ECG screening, every Participant must read and sign this Electrocardiogram Screening Consent Form and Release of Liability (“Consent and Release”). If Participant is a minor, Participant’s parent or legal guardian must read and sign this Consent and Release. The individual receiving the ECG Screening will be referred to herein as the “Participant”. By signing this Consent and Release, you acknowledge and attest to the following:

- I carefully read this Consent and Release, I understand this Consent and Release, and I have had the opportunity to ask any questions.
- I voluntarily consent and elect to have representatives and volunteers perform an ECG screening on Participant.
- I understand and voluntarily assume all risks associated with Participant’s participation in this ECG screening program. I understand that the ECG screening will only screen for abnormalities in Participant’s heart and does not constitute a complete medical exam or diagnosis. I understand that abnormal test results do not officially represent or imply that Participant does or does not have a heart condition. I understand that no warranty or guarantee has been made to me as to the results of the screening. I understand that this screening does not diagnose all causes of sudden cardiac death. I acknowledge that the information I receive from the ECG screening reflects the condition of Participant’s heart on the day of the ECG screening. This ECG screening does not constitute a conclusive diagnosis of Participant’s heart health or physical condition and is not intended to serve as a replacement for treatment and checkups with Participant’s primary care physician or other provider. I acknowledge the limitations of an ECG screening and that sudden cardiac death or other cardiac events may still occur, despite this screening. I understand that this ECG screening does not establish a treatment or provider relationship between (i) Participant and (ii) WWPF or any individual administering, interpreting, or communicating the ECG screening or the ECG screening results. I recognize and acknowledge that I am solely responsible for taking any appropriate follow-up action related to Participant’s ECG screening results. I understand that follow-up care and treatment is not a part of this ECG screening program; and
- I have the authority to sign this Consent and Release because either (i) I am the Participant or (ii) I am the parent or legal guardian of Participant.

3. ECG Screenings Results, Communication, and Confidentiality

The board-certified cardiologist that reads and interprets Participant’s ECG screening will place Participant into one of three categories: (i) low risk; (ii) follow-up required; or (iii) higher risk. I acknowledge that any Participant’s ECG screening that is designated as “higher risk” may be required to undergo further testing (e.g., an echocardiogram or ultrasound) prior to being allowed to resume athletics. In certain counties, Participants designated as “follow-up required” may undergo further testing prior to being allowed to resume athletics. I acknowledge, understand, and accept the following:

- If the board-certified cardiologist places Participant into a category that requires further testing or medical consultation, then WWPF may inform the individuals that oversee Participant’s involvement in athletics of Participant’s ECG screening results and status.
- As part of this ECG screening, I agree to allow (i) medical professionals and (ii) WWPF personnel, contractors, and volunteers (the “WWPF Team”) to have access to the medical records created during this ECG screening. I agree to allow the WWPF Team to contact me regarding Participant’s involvement in this ECG screening and the results. I agree and consent to WWPF sharing the following information with the School Board of Brevard County: Participant’s first and last name, height, weight, ethnicity, and consent status to the ECG screening and parent’s name, email, and phone number. I authorize WWPF to use all information provided, including the ECG screening, for diagnostic and aggregated statistical purposes and evaluations and research. The information collected from any ECG screening event may be published in scientific journals or presented at scientific meetings, but no Participant will be personally identified. This authorization may be revoked by submitting a written notice to WWPF at info@whoweplayfor.org.

As applicable, the WWPF Team will follow all relevant state and federal laws and regulations, including any applicable sections of the Health Insurance Portability and Accountability Act (HIPAA) and the Family and Education Rights and Privacy Act (FERPA).

4. Waiver & Release of Claims and Liability

By signing this Consent and Release, I hereby agree to waive any and all claims against (i) WWPF and (ii) the School Board of Brevard County and both groups’ employees, directors, officers, representatives, sponsors, trustees, partners, consultants, volunteers, and contractors (collectively, the “Indemnified Parties”). I further agree to indemnify, release, and hold harmless the Indemnified Parties from any and all claims, liabilities, cost, and expenses arising out of or related to the performance, interpretation, and/or communication of the results of this ECG screening.

5. Acknowledgment & Preliminary Medical History Questions

I certify that I have read this form or have had it read to me and that I fully understand this Consent and Release. In consideration of the ECG services provided by WWPF to Participant, I consent (i) to this Consent and Release and (ii) to Participant’s involvement in the ECG screening program.
