

Satellite High School **Coaching Philosophy** *It's not **ONLY** about the **WIN***

- ★ Encouraging student participation in all activities
- ★ Being positive and encouraging with student athletes while providing sound skill and strategic instruction
- ★ Teaching values, character and lifelong lessons beyond elements of the student's specific sport
- ★ Serving as a positive role model for not only the student athletes, but also for fans, student body and community
- ★ Following the policies and procedures for the school and state association
- ★ Communicating effectively with student athletes, parents, teachers, administrators, media and everyone involved with the athletic program
- ★ Involved in professional development activities in order to enhance background and knowledge
