SATELLITE HIGH SCHOOL SOFTBALL

2024-2025 Sponsorship Form

The Satellite High School Softball program invites you to partner with us this season! Please consider investing not only in our current athletes, but the future of our SHS program, which is dedicated to developing excellence in our student-athletes' lives, characters, and fastpitch softball. Nothing teaches young people more life lessons than participating in team sports, and you have an opportunity to contribute to our vision for our program!

Your financial assistance will provide our young ladies with new game jerseys, equipment, field maintenance, participating in state-wide tournaments, softball field upgrades, and everything else necessary for the most positive experience.

Your sponsorship will be on display at our field as a reminder to the community and its residents that you have endorsed our young ladies and program; creating a strong community spirit through our mutual stake in SHS Softball.

By donating, you leave a lasting imprint on our athletes who commit so much time to developing their skills, a sense of teamwork, leadership, and most importantly, core values of life. Thank you, in advance, for your support for our program and its future, and it will certainly be a brighter future with your help! To contribute, please fill in your information below, and select one of our sponsorship options.
