## RED TIDE VOLUNTEERS NEEDED

---

We have a need for any and all Volunteers who are willing to help Keep Brevard Beautiful clean up our shorelines due to the presence of **RED TIDE**.

Keep Brevard Beautiful is working closely with local and state agencies on the recent effects of the Red Tide. We are asking for any volunteers who are willing to help with the clean up efforts to remove dead fish that are appearing on the Brevard County shoreline.

KBB will provide cleanup supplies if you are interested in assisting with the cleanup efforts. Please contact the KBB office with your name, phone number, days of availability, and location.
