

Providing residential and therapeutic care for children removed from their families because of abuse, neglect or abandonment

Community Service - Volunteer Opportunity

The Lamb Shoppe Thrift Store supports the Haven for Children. The Haven Houses provide a safe, secure, loving home for 31 children.

The Lamb Shoppe could use your help with tagging, and organizing our numerous donated items. If you are interested in volunteering your time, we really could use your help on Saturdays from 10 - 12, 12 - 3 or even 10 - 3. You'll be surprised how much fun it will be.
