

Ceiling Tile Painting Approval Form

Students of Satellite High School have the opportunity to paint a ceiling tile in any classroom, with the teacher's **PRIOR APPROVAL**. Each tile will cost \$20 (cash or check made out to Satellite High School), and all profits will go towards Satellite High School's Student Government Association for future projects and events. These tiles are going to be a way for students to spread their creativity and leave their mark for years to come.

Designs will have to be approved prior to buying a tile. No changes to the tile design once approval has been granted. Below is a template for you to create a draft. After completing all signatures and a design draft, turn in this slip to Mr. Bowman, room 8-126. If granted approval, you will see Ms. Baez to pay for and receive your tile. Take it home, and paint. Have fun!

***Student will be responsible for damaged or lost tiles. All designs must be school appropriate.**
