Dear Parents:

I would like to extend an opportunity to your student to participate in **SUMMER BAND CAMP** for Stone Middle School.

The **Beginning Band** session is a two-week program designed for students who are enrolled in beginning band at Stone for the 2019-2020 school year that allows students to get an early start on learning an instrument and is also for students who may not have signed up for band, but are interested in trying band for the first time. No experience is required. Summer band camp provides a relaxed environment where small groups of students who are really excited about band can have fun with their first musical experience!

The **Symphonic Band & Orchestra** session is a two-week program and is designed for students who have had one or more years of band or orchestra experience. The summer camp provides a relaxed environment where we can make music together and have fun doing DIFFERENT things than what we usually do during the school year.

Summer Band will be held Monday, June 3rd^h - Thursday, June 13th
Monday-Thursday 2 Weeks

The schedule for Summer Band Camp will be as follows:

BEGINNING BAND : 9:00 a.m. - 11:00a.m.
SYMPHONIC BAND: 12:00 noon - 2:00 p.m..
ORCHESTRA : 2:00-4:00PM

When you return your registration form, please sign up for the class of your choice.
The beginning class will be filled on a first-come, first-served basis.

Summer band camp will be held in the **Stone Middle School band & orchestra room**.

Please return the Summer Band camp registration form to Stone Middle School. Register as soon as possible to reserve your students place. If you have any questions about summer band camp or the upcoming school year, please do not hesitate to contact me at 321-723-0741 x5601 or kanocz.alissa@brevardschools.org.

I am working towards having 3 levels of band next year at Stone (beginning band, intermediate band, symphonic band). Beginning band students who participate in summer band and make adequate progress will be placed in the intermediate band in the fall. Intermediate band students will be given additional opportunities.

I am looking forward to the summer camp and to making music with your student!!

Sincerely,

Ms. Alissa Kanocz
