

# Stone Magnet Middle School Badges Expectations and Procedures

## Badge Policies

All students must visibly wear their Student ID badge appropriately on campus (including school grounds and bus) at all times.

All enrolled students at Stone Magnet Middle School are provided with an initial Student ID badge and lanyard purchased through Title I funds. Student ID badges are utilized for teachers and staff to easily identify any student on campus.

The Student ID Badge provides the following information:

- Student's formal name
- Student's grade
- Student's school photo
- Student ID number
  
- Scannable ID barcode

The Student ID badge will be scanned for the following reasons:

- Bus scanners (AM bus stop loading, PM bus loading)
- Cafeteria (Breakfast and Lunch)
- FOCUS scanners for students checking in late, or issued a Tardy slip
- Classroom Attendance Tracking
  - Used to track attendance and ensure that students are where they are supposed to be during the school day. Helps to track and monitor attendance rates, which can be useful for identifying patterns of absenteeism and addressing any issues that may be contributing to poor attendance and grades.
  
- Creating a Hall Pass via Minga
- Earning PBIS points via Minga
  
- Spending PBIS points at the PBIS Reward Store via Minga
