

Principal Message 1/19/24

Stevenson Families,

We had a wonderful week that began with our fourth through sixth grade Science & Engineering Fair. A huge thank you to Mrs. Davis for heading this year's school fair and to all the volunteers that assisted by coming out and judging the projects. It was amazing to see how much our students learned about their selected topic by going through the scientific process. I'm super proud of our students!

Today is Penguin Palooza and we are all having fun out back in the field. We have games, food, and obstacle courses. There are lots of smiles and students and families enjoying their time together. Thank you to all the volunteers that have come out to support this annual event, and thank you to our Parent Volunteer Group for organizing such an amazing time for our families.

Speaking of our amazing Parent Volunteer Group, they have some upcoming open positions for Chair (President), Bookkeeper, and Event Coordinator. Please note that this group is a team and not all responsibilities are ever expected to fall on one person's shoulders. All interested individuals are asked to click on the link to let us know if you would like to join the team. <https://forms.gle/WJCAG5DRRMEWxzVv9> Interested individuals are asked to include the grade level of your child(ren) and if you have ever served on a school committee in the past. A ballot will then be prepared and sent to all families in April.

Next week is "Celebrate Literacy Week". We have many fun reading events planned for the students. Thursday after school, we will be holding our annual Arts Literacy Night. If your child will be staying after school to participate, please click the link to sign up by 9:00 am on Monday, Jan. 22nd. <https://forms.gle/VLS2L5zvGmNR2JgG8> Students will be informed of their assigned book club on Wednesday Jan. 24th. All students participating will need to be picked up at 5:00 pm on Thursday.

I have just one more thing to place on your calendar. On Tuesday at 4:15 pm, our monthly School Advisory Committee meeting will take place in the Media Center. This is open to all, not just committee members.

Well, that's it for this week. I hope you enjoy your weekend. We'll see you Monday in the car loop!

Sincerely,
Mrs. Fleeger
