

Principal Message 9/1/23

Stevenson Families,

I can't believe it's September already!

Next week marks the final week of our annual Read-a-Thon fundraiser. Ms. Wood's Fourth Grade class is still in the lead. I know the kiddos in that class can't wait to begin getting their prizes! Speaking of prizes, we will begin passing out prizes next week. Of course lunch with the Principal and the Pieing of the Principal will be scheduled at the conclusion of the Read-a-Thon (Friday, September 8). There is still time to log your minutes and get those pledges. The link to participate is [Family Login Page | Pledgestar](#)

Monday is Labor Day and the school will be closed. The Science Fair parent information night for 4th - 6th grade is scheduled for Tuesday, September 5th @ 4:15pm in the PAB. The FAST state testing is Tuesday the 6th and 7th for all third through sixth grade students. September 12th and 13th will be FAST state testing for Kindergarten through second grade students. Friday, September 8th is picture day. The students are to wear their uniforms for pictures as these are the ones being used for Yearbook and student ID cards. Please don't forget that you can locate all of Stevenson's calendar of events at <https://rlsfundraising.org/index.php/events/>.

Well, that's it for this week. I hope everyone has a wonderful three-day weekend. I'll see you Tuesday in the car loop!

Sincerely,
Mrs. Fleeger
