

Principal Message 9/15/23

Stevenson Families,

This week our Kindergarten through second grade students took their first state FAST test of the school year. These state test results measure the acquisition of grade level standards and are used by our teachers to assist with instructional planning. We thank our families for getting students to school promptly so the testing sessions began quickly.

This week the staff also selected the individuals to represent Stevenson as the Employee of the Year and the Teacher of the Year. I am pleased to share that Mrs. Dorothy Sloan-Gripp as Employee of the Year and Mrs. Angela Barrons as Teacher of the Year were selected. These two ladies are truly deserving individuals of these titles. They both go above and beyond to support our students, teachers, and families. Congratulations on this well-deserved recognition!

Blue Ribbon shirts have been delivered to your child's classroom. If you have not received your shirt, please check with your teacher. If you have any sizing issues please email [help@rlsfundraising.org](mailto:help@rlsfundraising.org) Spirit shirts have not yet arrived, those will come home at a later date.
