What Parents Need to Know

Florida State Statute 1006.147

Also called The Jeffrey Johnston
“Stand Up for all Students Act”

Prohibits bullying or harassment to any student,
school employee, volunteer, parent and/or school
visitor.

Brevard Public Schools Bullying/Harassment Policy

Our Board is committed to a safe, secure, positive, productive, and nurturing educational environment that is free from bullying or harassment of any kind for all of its students, employees, volunteers, parents and/or school visitors.

Is it Bullying or Normal Conflict?

The word bullying is overused to describe situations, so we must first determine if the problem is bullying.

What is Conflict?

It happens every now and then and can be accidental and is unplanned.

It is not about seeking attention or gaining power and control.

What is Bullying?

Harm occurs as the result of an intentional act, rather than the result of an accident.

A power imbalance exists between the target and the bully.
(Real or imagined by the target)

The bully enjoys carrying out the action.

The bully repeats the behavior, often (if given a chance) in a systematic way.

The target is hurt physically or psychologically and has a sense of being persecuted or oppressed.
