

Principal Message 4/14/23

Stevenson Penguins,

We've been some busy birds here at Stevenson! Study Trips to the Zoo, Physics Day at Busch Gardens, and our Spring Sensation performance of Wing It! Our first and second grade students did not disappoint with their performance. I can't believe they learned how to play the Recorded is such a little amount of time. How about those sassy dances? Super cute, right? The vocals of our students were so clear and they projected so well. We have some professionals in the making!

Next week will be a busy one as well. We will be welcoming our incoming Kindergarten students on Wednesday at our annual Stepping Stones event. We also have the 4-H Speech Competition for students in grades 4-6 on Friday.

In addition to those events, Tuesday at 4:15pm next week the School Advisory Council will meet. I have received confirmation from several individuals that they are interested in serving the next term on the School Advisory Council. I thank these individuals in advance for their interest in supporting our school's improvement by serving in this capacity. Since there are 7 openings and I have 6 individuals nominated, they are running uncontested and there is no need for a ballot. The parents that will serve the next term on SAC are Boshia Palapava, Sara Faro, Lea Karpowich, Michelle Canha, Shannon Paoletti, and Barbara Thorpe. They will sit as parent representation on the team beginning in the 23-24 School Year. Again, thank you to these ladies for volunteering to serve our school in this capacity.

Those of you that still need volunteer hours, we have several opportunities available. Click the links to support us with your time.
