

Principal Message 2/3/23

Stevenson Families,

The book fair wrapped up this week and we saw many students enjoying their new book purchases. Thank you to the volunteers that helped Mrs. Monroe with the book fair throughout the week. Your assistance is appreciated! Speaking of appreciation, thank you to our volunteers that assisted with spring pictures today also.

We are hosting a Study Skills Informational Night on Wednesday, Feb. 15th from 4:00 – 5:00 pm. Come out and learn ways to support your child with homework, studying, and test taking skills. Feel free to bring your device from home to receive support with accessing Focus, launchpad, and other instructional apps used at school. Please RSVP by clicking the link.

Also, don't forget that students can bring in a photo of their pet to add to our bulletin board. Photos can be turned into Mrs. Silva.

We have a new issue that I would like your help with. Lately in the upper grades, we have had students chewing gum. There is a long-standing rule against chewing gum in school. Please remind your child of this rule and make sure they do not come to school with gum. We appreciate your help with this.

That's it for this week. If you have any extra time in the afternoons, we could always use help with moving cones during car loop dismissal. I hope you all have a wonderful weekend!

Sincerely,

Mrs. Fleeger
