Enrichment Clusters & Passion Projects

According to educational psychologist Joseph Renzulli, enrichment clusters empower students to take ownership of their learning journey. In addition, clusters are:

- **Sparking Curiosity:** To ignite a passion for knowledge and discovery.
- **Cultivating Creativity:** To encourage innovative thinking and problem-solving.
- **Building Confidence:** To foster a growth mindset and a belief in their abilities.
- **Developing Leadership:** To equip students with the skills to become future leaders.
- **Creating Connections:** To foster collaboration and teamwork.

Academic Excellence

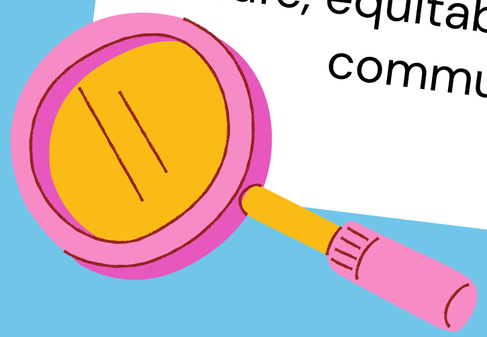

- Top-Ranked Elementary School: Proudly holding 18th in the state and 2nd in the district. (FLDOE, 2024) academic pace.
- Science Achievements: Highest ranking elementary school for science in the district. (FLDOE, 2024)
- Driven Instructional Staff: Recognized district-wide as leaders in Apple initiatives, STEAM education, and literacy curriculum & training, as well as actively holding seats on several district committees.
- Our exclusive activity opportunities are only possible by maintaining high standards of learning and an advanced academic pace.
