

Principal Message 9/3/21

Stevenson Families,

We had a great week here at Stevenson. Our Read-a-Thon is doing fabulous, and we are already up to \$12,400. It looks like Mrs. Vanderpool and I might be taking some pie in the face. I'd like to put my order in now for a nice Chocolate Cream Pie. If I'm going to get messy, it might as well taste good. Keep reading and getting those pledges. I can't wait to see what our total fundraising will be.

Our car loop is working like a well-oiled machine. Many thanks to our volunteers that are helping to make the new process a success. If you would like to volunteer, please click the link to sign up.

Our super Penguin Patrol students began their posts this week. I think they have added to why our car loop has become so efficient. They have been a wonderful help with opening and closing car doors and walking students to and from class (if requested) in the mornings and afternoons.

Before and After Care is still holding a wait list due to staffing. Mrs. Jeana was able to hire a Group Leader for Morning care, so she is now at par in the mornings. She is still awaiting paperwork to finalize an afternoon group leader. Please continue to get the word out that there are positions available in the Before and After Care Program!

The RLS Fundraising Group has placed the orders for all shirts. When the shirts arrive, they will be delivered to the students to take home. If volunteers are needed, they will create a sign-up for families.

Speaking of sign-ups, our book fair will begin on the 15th. Mrs. Monroe is looking for volunteers to assist. If you are interested, please click the link to sign up to help.

Well, that's it for this week. I hope you all enjoy the long weekend. I look forward to seeing everyone on Tuesday in the car loop!

Sincerely,

Mrs. Fleeger
