MAY 2024 SUNTREE

Dear Suntree Families,

Here we are nearing the end of another school year - it seems like only yesterday I was writing a "Welcome to Suntree" letter. It's amazing how quickly time passes. As I reflect on this past year, I am in awe of what we have accomplished . Our students have worked hard and mastered many new skills which will help them be successful academically, socially and in all other facets of life. I want to thank our families for their encouragement and support throughout this school year. Parents, students, and staff working together truly make Suntree Elementary a great place to learn.

Please take a few moments to review the May testing dates listed below. It is imperative on testing days that your child receives plenty of rest and eats a nutritious breakfast. Remember, it's always important to encourage your child to do his/her best work; and when something is difficult, success is achieved by working hard.

Please note, Friday, May 24th, is the last day of school for students. For our 6th graders who will not be returning in the fall, I wish you much success in your future endeavors. For the rest of our students, I hope you have a fun and relaxing summer - please take time to read and enjoy a good book! We look forward to seeing you in August!

Sincerely,
Dr. Shari Tressler
Principal

We appreciate your continued support and multiple donations of food, gift cards, and sponsorships!

Business Partnerships

Our partnerships work together to grow businesses while supporting students, families and staff. If you own a business, or know of someone who owns a business, and would like to become part of our Business Partnership In Education program, please reach out to Sara Bascle or Angie Knopf at Suntree Elementary. (321-242-6480) Thank you again for your continued support in making Suntree Elementary shine!

MEDIA CENTER

THANK YOU to our Suntree families for supporting the "Pop Into A Good Book" Scholastic Book Fair - it was a success!!

3rd Graders will be celebrating reading across the genres with the Genre BINGO Reading Celebration on Friday, May 3rd. BINGO boards were given to students in January. Students who completed the challenge at home need to return their cards to their teachers no later than May 1st to be included in the celebration.

As we near the end of the school year, students are asked to return all library books no later than Wednesday, May 15th so that inventory can begin. The last day for student checkouts will be Friday, May 10th. Books not returned by May 15th will be marked "lost" and students will be assessed a replacement cost.
