

GSP - Horizon's Supply List 2024-2025

Note: Sorry this is so late! I wasn't sure what I needed at the end of last year and I didn't want anyone to waste money on what was not needed. If you are a returning student, you do not need to bring a new binder or supplies. I'm so excited for this school year and see you all soon! Mrs. Knepp 😊

***A pencil pouch is not required this year as I have more than enough supplies to share, but if your child would like one in their binder with their own supplies, they are more than welcome to add it.
